

PITCH, HIT AND RUN REPORT
AUGUST 7, 2019

This year we had 32 Communities participate in hosting a local competition for Maine Pitch, Hit, & Run. These communities then sent over 150 winners to the sectional competitions! These sectional competitions were held in Mars Hill, Bangor, & Old Orchard Beach. The winners at each sectional had their scores compared to winners throughout New England.

Participants who were in the top 3 all around score for each age group in New England were then given an opportunity to compete at Fenway Park in the Regional Competition. Maine had 3 participants move on to the regional competition.

11/12 Age Softball Alaynah Leblond Old Orchard Beach ME
9/10 Age Baseball Sam Beaulieu Old Orchard Beach ME
13/14 Age Baseball Kaden Beloff Hamdpen ME

These participants finished 2nd, 3rd, & 3rd in the Boston Red Sox Regional Competition.

It was another great year for this program. The piece that excites me the most is that kids from all skill levels can compete in this competition, succeed, & be rewarded for their hard work.
